IPX4 Rating

Product Details

Benefits

Available in 3 different configurations

The Beefeater outdoor display fridge is available in single, double or triple door variants.

Designed for outdoor use

The Beefeater cabinet has been tested to 43C in the shade and has a 304 grade stainless steel finish, making it ideal for usage in an outdoor environment.

Cantilevered, adjustable wire shelving

The adjustable wire shelves are easy to clean.

Electronic touch controls

The external electronic controls allow you to set the temperature for your cabinet at the touch of a button, with a temperature range of 0C - 10C.

LED illumination

Bright LED lighting illuminates all of your refrigerated products for easy visibility.

Self closing, lockable doors

Frost free system with auto defrost

Insulated & heated double glazed glass doors with stainless steel frame

Perfect for entertaining, the glass display allows you to see all of your drinks at a glance while the heated doors prevents condensation for even better visibility.

IPX4 Rating

The cabinet is protected against splashes of water for at least 5 minutes, making it perfect for use within a built-in outdoor kitchen.
